

DISCOVER ART THAT FITS YOUR LIFE

The Long's Park Art Festival is proudly presented by the Long's Park Amphitheater Foundation. For over 60 years, outstanding cultural programming has been brought to our community through the tireless work of our Board of Directors and hundreds of volunteers. With your support, The Foundation presented twelve free summer concerts on the iconic Amphitheater stage this year. We now welcome you once again to our beautiful park for the award-winning Art Festival. We do hope you enjoy your visit.
