Welcome

Dear Fellow Art Lover,

Welcome to the 44th Annual Long’s Park Art Festival, one of America’s leading exhibitions of fine art and crafts! Whether you are returning to the festival or visiting for the first time, I’m sure that you will be wowed by the diversity of artistic expression, creativity, and craftsmanship. With more than 200 exhibitors, the Long’s Park Art Festival is a showcase of styles and media sure to delight art-lovers as varied as the pieces themselves.

In addition to supporting the arts community, you will also be supporting the Long’s Park Summer Music Series. Because of the incredible work of so many volunteers and patrons like yourself, all Festival proceeds benefit a free, thirteen-week music series featuring award-winning musicians performing live on the Park’s Amphitheater Stage, which in and of itself is a piece of art.

Finally, while you’re nearby, don’t miss the chance to visit our historic Downtown, where you’ll find great restaurants, shops, museums, galleries, and an experience you’ll treasure. I hope you enjoy your visit and come back soon!

Danene Sorace
Mayor

Welcome to the 44th Long’s Park Art Festival! We are so glad you have chosen to spend part of your holiday weekend with us. We hope that you will find that Long’s Park, gifted to the City of Lancaster by Judge Henry Long in 1900, is the perfect location to celebrate 200 of the finest artisans in the country.

We similarly hope that as you spend the day with us, you will also come to agree with all those who, according to Art Fair Calendar, voted us the #1 Art Show on the East Coast, and #4 in the country. We believe we earned those high rankings due to the quality and diversity of the artists featured in our show, the hospitality of our committee members and volunteers, and the beauty of this park. It has taken many hands working together over the past few months to bring this art show of outstanding quality to you.

To ensure you have enough nourishment and drink to sustain you along the way, we offer two dining areas within the show. Be sure to check out the selections in each area before making any decisions about where to stop for a bite to eat. Additionally, we have three Pubs for your refreshment: the Artisan’s Pub, located near the entrance of the show, and a pub in each of the two dining areas.

Of course, the focus today is on ART: unique, handcrafted, top-quality work by a diverse group of talented artists. We value the gifted artists who have traveled here from 27 states to present their fresh perspectives to you. One of the joys of this type of art show is your opportunity to talk to the individual who has created the piece that speaks to you – to learn more about their thought on the work and how it was created. Remember, you’ll be taking home so much more than a picture to hang on the wall, or a piece to wear for a special occasion. There’s an artist and a story that goes with each item you purchase. Don’t miss this part of what makes the Art Festival so special.

We welcome your comments, thoughts, and feedback about how we bring this show to life each year, and again, we are so glad that you have chosen to spend part of your holiday weekend with us.

Enjoy your day in the park!

Co-Directors, 2022 Long’s Park Art Festival
The **Long’s Park Amphitheater Foundation**’s mission is to provide cultural programming at Long’s Park for the benefit of the general public thereby enriching the quality of life in Lancaster County.

This year, we celebrate our **60th Anniversary** of the **Summer Music Series**, a summer of concerts held at the beautiful and iconic Long’s Park Amphitheater. We also celebrate our 44th year of hosting the **Long’s Park Art Festival** with over 200 artists exhibiting among the shaded tree-lined shores of Long’s Park Lake. Our mission is realized with these two annual events through the presentation of exceptional art and music.

Since 1962, the **Summer Music Series** has brought the Foundation’s mission to life on the amphitheater stage. Set in a family-friendly atmosphere for thirteen Sunday evenings, our free-to-the-public concerts welcome thousands of music enthusiasts of all ages for an evening they will never forget. We invite everyone to join us every summer for these amazing performances.

The **Long’s Park Art Festival**, established in 1979, remains a key fundraiser for the Foundation and has become nationally recognized as one of the top Art Shows in the country. Each Labor Day weekend, we host over 200 juried artists from within our community and across the country. Art lovers arrive from the Eastern Seaboard to as far away as the Midwest for this once-in-a-lifetime gathering of artists. Everyone has the opportunity to take home artful memories from functional art and fine art to jewelry and, yes, clothing. The food and drink are also spectacular.

Please come and visit us at Long’s Park and make a generous donation to support these unique events for generations to come. A donation of any size enriches the lives of everyone through art and music and is greatly appreciated. The Long’s Park Amphitheater Foundation is a 501(c)(3) nonprofit and we rely solely on support from our donors.

Visit us at longspark.org.

Thank you again, and we’ll see you at the park!

EMERGING ARTIST PROGRAM
The Long’s Park Art Festival is active in promoting the next generation of exhibiting artists. We have invited both young artists and those who are making a later career change to apply to the show in a special Emerging Artist category. The selection jury reviewed this special group of applicants separately: they considered both their submitted images and reviewed the artists’ resumes to get a sense of those individuals who could best move forward in a career in the arts through this special consideration.

Our six Emerging Artists chosen this year are exhibiting in booths 251 through 256. Please visit with them and encourage their pursuit of an artistic career.
