WELCOME

Dear Fellow Art Lover,

Welcome to the 45th Annual Long's Park Art Festival, one of America's leading exhibitions of fine art and crafts! Whether you are returning to the festival or visiting for the first time, I'm sure that you will be wowed by the diversity of artistic expression, creativity, and craftsmanship. With more than 200 exhibitors, the Long's Park Art Festival is a showcase of styles and media sure to delight art-lovers as varied as the pieces themselves.

In addition to supporting the arts community, you will also be supporting the Long's Park Summer Music Series. Because of the incredible work of so many volunteers and patrons like yourself, all Festival proceeds benefit a *free*, thirteen-week music series featuring award-winning musicians performing live on the Park's Amphitheater Stage, which in and of itself is a piece of art.

Finally, while you're nearby, don't miss the chance to visit our historic Downtown. Checkout VisitLancasterCity.com to find out more about dining, shopping, museums and more. I hope you enjoy your visit and come back soon!

TO THE 45TH LONG'S PARK ART FESTIVAL

Hello Friends of Long's Park!

Welcome to the 45th Long's Park Art Festival! We are so glad you have chosen to spend part of your Labor Day Weekend with us. We hope that you will find that Long's Park, gifted to the City of Lancaster by Judge Henry Long in 1900, is the perfect location to once again celebrate 200 of the finest artists in our country.

We similarly hope that as you spend the day with us, you will also come to agree with all those who have voted for this award-winning Festival time and time again since our inaugural show in 1976.

We believe that it is the quality and diversity of the artists featured in our show, the hospitality of our committee members and volunteers, and the beauty of this park that make this a truly unforgettable experience. We want you to know it has taken many hands working together over the past few months to bring this art show of outstanding quality to you. To all our wonderful volunteers, we thank you.

To you, our guest, ART is what brings us together today: unique, handcrafted, top-quality work by a diverse group of talented artists who have traveled here from across our country to present their fresh perspectives to you.

Today is YOUR opportunity to talk to the artist who has created the piece that speaks to you – to learn more about their thought on the work and how it was created. Remember, you'll be taking home so much more than a painting to hang on a wall or a piece to wear for a special occasion. There exists a story and deeper meaning with each item you purchase – find it! Don't miss this part of what makes the Art Festival so special.

To ensure you have enough nourishment and drink to sustain you along the way, please note we offer two dining areas within the show. Be sure to check out the selections in each area before making any decisions about where to stop for a bite to eat. Additionally, we have three Pubs for your refreshment: the Artisan's Pub, located near the main entrance of the show, and a pub in each of the two dining areas.

As always, we welcome your comments, thoughts, and feedback about how we bring this show to life each year. We are so glad that you have chosen to spend part of your holiday weekend with us.

We hope you find that special art to love and to live with.

Rick Faulkner and Colin Cook

Co-Directors, 2023 Long's Park Art Festival

THE FOUNDATION

Welcome!

The **Long's Park Amphitheater Foundation's** mission is to provide cultural programming at Long's Park for the benefit of the general public, thereby enriching the quality of life in Lancaster County.

This year, we celebrate our **61st Season** of the **Summer Music Series**, a summer of concerts held at the beautiful and iconic Long's Park Amphitheater. We also celebrate our **45th** year of hosting the **Long's Park Art Festival**, with 200 artists exhibiting among the shaded tree-lined shores of Long's Park Lake. Our mission is realized with these two annual events through the presentation of exceptional art and music.

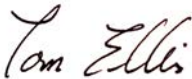

Since 1962, the **Summer Music Series** has brought the Foundation's mission to life on the amphitheater stage. Set in a family-friendly atmosphere for thirteen Sunday evenings, our sponsored concerts are open to the public, and we welcome thousands of music enthusiasts of all ages for an evening they will never forget. We invite everyone to join us every summer for these amazing performances.

The **Long's Park Art Festival**, established in 1979, remains a key fundraiser for the Foundation and has become nationally recognized as one of the top Art Shows in the country. Each Labor Day weekend, we host 200 juried artists from within our community and across the country. Art lovers arrive from the Eastern Seaboard and as far away as the Midwest for this once-in-a-lifetime gathering of artists. Everyone will take home artful memories, and many will also take home unique art pieces of their own. The local culinary food and drink are also a reason to come and stay a while.

Please come and visit us at Long's Park and make a generous donation to support these unique events for generations to come. A donation of any size enriches the lives of everyone through art and music and is greatly appreciated. The Long's Park Amphitheater Foundation is a 501(c)(3) nonprofit. We rely solely on support from our donors.

Visit us at longspark.org.

Thank you again, and we'll see you at the park!

President, Long's Park Amphitheater Foundation

Your treasured artwork will be delivered to your home or business. Congratulations!

EMERGING ARTIST PROGRAM

The Long's Park Art Festival actively promotes the next generation of exhibiting artists. We have invited young artists and those who are making a later career change to apply to the show in a special Emerging Artist category. The selection jury considered their submitted images and reviewed the artists' resumes to get a sense of those individuals who could best move forward in a career in the arts through the benefit of this special program.

Our Emerging Artists are exhibiting in booths 251 through 256. Please visit with them and purchase one of their early works and encourage their pursuit of an artistic career.

FOOD & DRINK OPTIONS

Experience the tasteful food creations of some of the region's finest restaurants, caterers, and food trucks. These food choices are located in our Bistro Dining area and our food trucks in the Pump House Circle.

Along with our various food options, we provide three Pubs featuring champagne cocktails, wine, local craft beers, and, this year, the addition of the renowned Jimmy Juice! Find your favorite drink of choice at one of our three blue and white tent locations, or find something new to try at each one. Our three locations are the Bistro Pub - located in the Bistro Dining Area; the Pump House Circle Pub, and the Artist's Pub - located near the north entrance to the Artist's exhibits!

Check out the list below for some of our sweet and savory food options!

BISTRO DINING OFFERINGS

HARVEY'S MAIN STREET BAR-B-Q

Voted Lancaster County's Favorite BBQ in 2014. Serving pulled pork, beef brisket, marinated chicken breast with lettuce and tomato, Cajun sausage, baked beans, red potato salad, and coleslaw.

FARM2TABLE CREATIONS

Offering charcuterie trays for 2-4 or 4-6 people, roasted vegetable garden salads, garden salad with chicken salad and chicken salad sandwiches. Look for Farm2Table Creations on market days in Lancaster Central Market.

CHELLAS AREPA KITCHEN

Chellas proudly offers unique and authentic Latin cuisine with exemplary customer service. Their dishes are the perfect mix of creativity and taste.

MAD DASH

Mad Dash is a Central PA-based food truck serving gourmet, artisanal grilled cheese and handcrafted sandwiches.

JOE ON THE GO COFFEE CO.

Mobile café serving hot and iced coffees, lattes and shaken iced espressos, bottled beverages and a wide variety of baked goods. A portion of sales will be donated to local non-profit organizations.
